

ATORN®**Tool carts****Type**

- 6 drawers, height 80 mm
- 1 drawer, height 165 mm
- Stable sheet metal construction
- Solvent-resistant plastic worktop with 2 integrated storage compartments
- Drawers with roller guide
- **Drawers, full extension 100%**
- Internal dimensions of drawers
W x D 527 x 348 mm
- Load capacity 20 kg per drawer
- Total capacity of the tool cart 300 kg
- Single lock prevents unintentional opening of drawers
- **All drawers suitable for OPT-I-STORE rigid foam inserts (cat.-no. 59603-59692)**
- Individual attachment options thanks to rectangular hole pattern on the side walls for example, with hooks for tools or other add-on parts such as can holder, document holder, hanging box, wastebasket, etc.(cat.-no. 81725 103-105)
- Drawn in side walls protect the additionally attached add-on parts from damage, as they hang inside the cart dimensions

- Central lock with cylinder lock secures all drawers, incl. 2 articulated wrenches
- Plastic coated metal push handle, attached directly to the frame
- Movable thanks to 2 ball-bearing fixed castors and 2 swivel castors Ø 100 mm, with parking brake
- Surface powder-coated: Body RAL 7035 Light Gray, drawers RAL 5010 Gentian Blue
- **Delivery includes 1 divider per drawer** (additional dividers cat.-no. 81725 106-107)

OPT-I-STORE rigid foam inserts**Type**

- Two-coloured tool insert made of Polyethylene (PE)
- Lightweight, resistant, water-resistant, oil resistant
- With shock-absorbing characteristics
- Colour: black/blue
- The rigid foam is long lasting, odourless and food safe

Use

For a clear simple arrangement and protected storage of tools in drawers.

Info

OPT-I-STORE rigid foam inserts cat. no. 59603-59692

ATORN®

Type

The PE foam is lightweight and resistant at the same time. In addition, the material is water-repellent and oil resistant. In addition, it has shock absorbing properties.

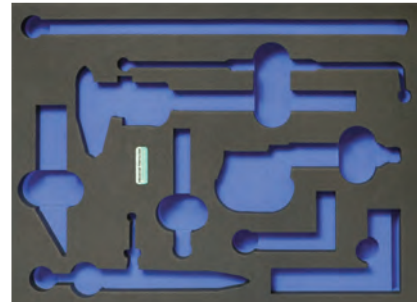

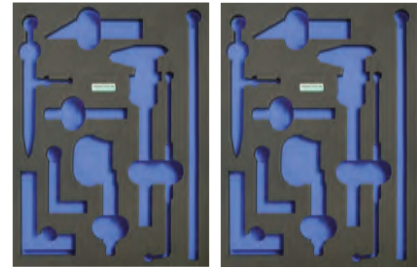

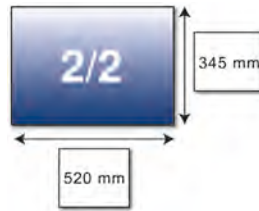

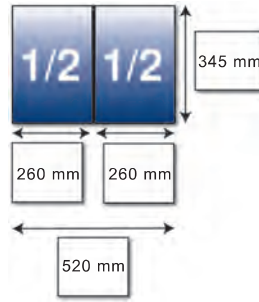

The rigid foam is long lasting, odourless and food safe.

In order to store electronics parts, the foam is also available in ESD design with non-conductive properties.

Use

For a clear simple arrangement and protected storage of tools in drawers.

The drawers of the ATORN tool and gear wagon (cat.-no. 81725 100-102 + 109) can be optionally equipped with
 - Two 1/2 OPT-I-STORE rigid foam inserts (260 x 345) or
 - One 2/2 OPT-I-STORE rigid foam insert (520 x 345)

59691

DIY rigid foam inserts

1/2

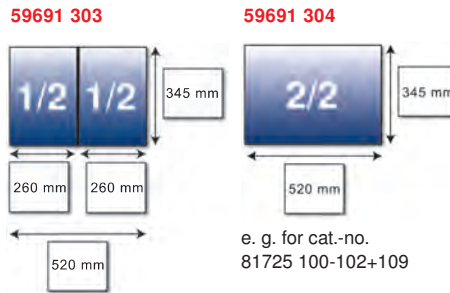

2/2

NEW

ATORN®

Type

- A strong material
- The PE foam is lightweight and resistant at the same time.
- This material scores well due to its oil-resistant and water-repellent qualities
- In addition, it has shock absorbing properties
- The rigid foam is long lasting, odourless and even food safe
- As a special version for electronic parts, the foam is also available in ESD Type
- Through precise-fitting cutouts and contrast color blue you can see missing tools at a glance
